

PACKAGE CONTENT

Once you purchase your package, a download link will be sent to your email address (*usually within **48** business hours*) together with instructions on how you can install this package in your EVENT instrument. Please email us (Ajaminc@Gmail.com) a picture of your serial number screen (press **MENU**, touch **PREFERENCE**) to ensure we have the right serial number.

This unique package brings you the following:

50+ Pro Live Audio Styles

1. 8 part variations with Live Audio Drums, Bass and Real Chords (*with Guitars, Brass, Strings, Piano and other musical instruments*)
2. Song intros and endings (*Song style names have mixed lettering, while generic styles are in capital letters*)
3. Additional Styles with RIFF (Arranger D) – Auto Chord Phrasing built in
4. Human Vocal Real Chords (*when played in original key of song – e.g. Broken Country*)
5. Hungarian & International Styles Pack#1 which can also be purchased separately (*names start with GYR, e.g. GYR DISCO LOVE*)
6. Extensive Audio Real Chords, Live Bass and Audio Drums recorded by Professional musicians, mixed and mastered in professional studios, now brought to your EVENT product
7. Appropriate lead voices selected for each style and each style variation (*Voice to ABCD have been further enhanced*)
8. Human Vocal Real Chords plus other instruments (VST) etc

90+ Pro Sounds

- a. Acoustic Sounds with Advanced intelligent articulation and 4 layer velocity switching (*e.g. Double Steel Guitar*)!
- b. Auto harmonization on voice following chords played (*e.g. Jams Last Orchestral Harmony*)
- c. Auto split Sounds
- d. Auto Voice Switching (*with Expression Pedal or Modulation wheel*) on new Theatre Sounds
- e. New Pads, Synth and Sounds for EDM, Dance etc

In addition to all the Sounds and Styles above, the **ELITE Package** adds the following
Chord Phrases
200+ Key Tune Samples

100 Song Setup/Registrations. (*Song settings for popular tunes worldwide. Simply touch and play. Appropriate style, tempo, lead voices, effects etc for the song are automatically selected for you*).
